

Meet Me In Ibiza – Crazy Nights Vol 1

Visit www.RojaRecords.com for more information.

On June 28, 2012, Roja Records launched the mixed compilation series “MEET ME IN IBIZA” which aims to capture the Balearic vibe of the White Isle in every aspect from ripping the mega-club roof off at night to melting in the sun the next day while recovering. Each release will include both a full length dj mix, featuring a new dj for each release, and a bundle pack of the tracks from the mix.

Meet Me In Ibiza – Crazy Nights Vol 1 mixed by dj Teresa features a selection of tracks progressing from sunset-feel tech house through hard tech, minimal and bouncy tech into driving techno with big room melodic hook for a soulgasmic finale.
